Narrator : When facing impossible odds, even in this modern era in a galaxy unknown to your kin and mine, how do ancient beliefs survive forgotten paths?

Rumors abound of ancient leaders who have been forced into chains to do the will of petty despots. Who will protect the Universal Tenets from such darker grips?

What is a young member of the Tong to do against harsh planets.... Giant guardians of the dunes... tyrannical generals seeking indestructible armies... and help life survive abroad?

All these things our Bennu Tong is to face as he follows clues to rescue a fellow Tong-Mate from two warring military foes. His journeys lead him to the planet Jeconiah found in the Andromeda Galaxy. Can he survive?

Follow the adventures of the Tong as they cross into the far reaching arms of the Universe gathering survivors of their ancient Order against forces unknown. The adventures of Slip of the Tong can be watched at HERO CENTRAL TV © 2018 from Hero Central Studio. www.herocentral.org
