## **HERO CENTRAL Jr.**

The cover is actually the cover used on the web comic Hero Central, Jr. over at GIRAFNetwork.org. The creator of the Hero Central Universe series for the United fanzine Organization has Gone one step further and developed a webcomic for the younger audiences to get into. The regular digest series is often times aimed at an older audience. Jason Bullock, the writer and artist, wanted to give more to the fans of a younger age. The heroes in training find that the life of a sidekick is really not all its cracked up to be when your are kept out of all the important things in the city in which you live. So we are privy to how these “Junior” heroes deal with a threat to one of their own as well as the authority of their mentors. Join Seneca, Kineto, Kidd Achilles, Quanta and Morrigan take on KRAKEN! You can check out his raving, ranting, as well as insightful look into the small press world as well as mainstream entertainment for enlightenment or at least a laugh. got to his podcast at [www.herocentral.org](http://www.herocentral.org) !
